HCIPlayer: Pre-test Questionnaire

ECSE424 Winter 2010, McGill University

Updated: Monday, March 8th, 2010

1. What is your first language?

2. What level of visual impairment do you have?

3. Do you use (or have you used) a portable music player? If so, how often?

    (a) What are some of the different players you have used?

4. What feature(s) do you find most useful on a portable player?

5. What problems do you have when trying to play music?

6. Are you familiar with any models designed for or otherwise suited to your impairment?
